Special Needs: _____

Please list any allergies, food allergies, serious injuries, diseases, operations and any restrictions on physical activity (If none, please put none): _____

Liabilities: Parents and/or legal guardians or minor students and adult students waive the right to any legal action for any injury sustained while participating in co-op classes, private school classes, field trips or events with For the Love of Learning/Stuart Congregational Church or while on the property resulting from normal activity or any other activity conducted by the students before, during, or after the school.

Medical Treatment: In connection with any injury my child(ren) may sustain or illness or other medical conditions my child(ren) may experience during his and/or her participation in attendance at the For the Love of Learning, I authorize any emergency first aid, medication, medical treatment or surgery deemed necessary by the attending medical personnel if I am not able to act on my child's behalf. In the event that I cannot be contacted in the event of an emergency, I further hereby grant For the Love of Learning permission to administer immediate treatment and/or take my child(ren) to a hospital emergency room via ambulance/emergency vehicle. Any medical treatment costs is the responsibility of the parent.

I further authorize the attending medical personnel to execute on my child(ren)'s behalf any permission forms, consents or other appropriate documents relating to medical attention. I also understand and agree that For the Love of Learning will notify me if my child(ren) becomes ill during school hours, and I will arrange to have my child(ren) picked up immediately from the school.

The parent is responsible for the education of their child. The parent is responsible for making sure the child is completing all homework and will provide any additional homework the parent deems fit if the student doesn't attend FTLOL full-time.

Parents are responsible for testing and associated costs. Parents are also responsible for turning in attendance for days the children do not attend FTLOL. Since our school is based on each students' ability, not all students are placed in their age appropriate grade, instead, children are evaluated and placed based on their ability in each subject. Parents whose children attend FTLOL understand that if the child is placed into another school that they may not be in the grade level for each subject that they should be based on their age.

Personal Property: Anything lost/stolen is not the responsibility of For the Love of Learning.
