TUITION/FEES AGREEMENT

Tuition and Registration Fee

Annual tuition per student is \$6,000 to be paid monthly at \$600 per month. Tuition is due in advance, the 1st of every month. A non-refundable registration fee of \$850 is due when the student is accepted to FTLOL, before their first day of school. Scholarship students see below for more information and calculations.

By signing this agreement, I/We agree to the following payment schedule:

August 13, 2018	\$600 Tuition + \$850 Registration Fee
September 1, 2018-May 1, 2019	\$600 the 1st of every month

Late and Returned Check Fees

A late fee of **\$25.00** will be assessed for payments received after the 5th of every month, **\$50** after the 10th. If paid by scholarship this fee will be waived. Returned check fee of **\$35.00**.

Testing Fees

Annual assessment tests will be administered at the end of the school year. These tests are optional unless the student's scholarship requires it. It is available for 3rd-12th Grade. The fee is \$50 and is included on the annual tuition invoice.

Scholarships

The majority of scholarships that we accept do not cover the entire tuition plus registration fee as explained above. The student is responsible for the difference between the scholarship amount and the total tuition and registration fee (\$6,850). Scholarship students are required to pay ½ of the Registration Fee as a deposit. Deposit will be refunded when total tuition is received from the scholarship at the end of the school year or may be applied to the following school year. The annual amount that the scholarship will not cover is due by September 1st or within 30 days of registration if student enrolls after school has already begun. If the tuition amount due at registration is over \$500 or as needed, we will allow monthly payments, see Director or Assistant Director to request a payment plan. See Examples on the next page for clarification.
