## TUITION/FEES AGREEMENT

### Tuition and Registration Fee (Non-scholarship students)

Annual tuition per student is \$6,300 to be paid monthly at \$630 per month. Tuition is due in advance, the 1st of every month. A non-refundable registration fee of \$850 is due when the student is accepted to FTLOL, before their first day of school. Scholarship students see below for more information.

By signing this agreement, I/We agree to the following payment schedule:

Due Upon Registration	\$425 (½ Registration fee)
August 12, 2019	\$630 Tuition + \$425 Registration Fee
September 1, 2019-May 1, 2020	\$630 the 1st of every month

### Tuition and Registration (Scholarship Students)

The majority of scholarships that we accept do not cover the entire tuition plus registration fee as explained above. The student is responsible for the difference between the scholarship amount and the total tuition and registration fee (\$7,150). Scholarship students are required to pay \$200 as a deposit upon registration. The deposit will be refunded when total tuition is received from the scholarship at the end of the school year or may be applied to the following school year. The annual amount that the scholarship will not cover is due by September 1st or within 30 days of registration if student enrolls after school has already begun. If the tuition amount due at registration is over \$500, we will allow monthly payments, see Krista to request a payment plan. See Examples on the next page for clarification.

**For Example:** If the scholarship pays \$6,800 annually, then the parent will owe \$350 for the year.

Total amount due from parent: \$350 (\$7,150-\$6,800) of which \$200 (in addition to the deposit) is due upon registration for a total of \$400 and the remainder (\$150) is due by September 1, 2019.

## OTHER FEES

### Withdrawal Fee and Final Invoice

If a student is withdrawn before the end of the school year, a **30-day** written notice is required. By signing this agreement, I/we agree to pay a withdrawal fee of 2 month's tuition (\$1260.00). This fee is due regardless of whether withdrawal is based on the school's or the parent's decision. Student records will be released upon payment of final invoice. In addition, the registration fee, if not already paid in full, will come due. Please note that most scholarships will not cover the entire registration fee if a student is withdrawn before the end of the school year. Parents will then become responsible to pay the entire registration fee upon withdrawal. Parents on scholarship will also be responsible to pay the tuition difference due based on the non-scholarship billing schedule if the student withdraws early. Scholarships pay based on days and FTLOL charges based on months. If a student is withdrawn before the end of the year the parent will be charged based on \$630 a month beginning August 1<sup>st</sup>.

### Late and Returned Check Fees

A late fee of **\$50.00** will be assessed for payments received after the 5<sup>th</sup> of every month, **\$75** after the 10th. If paid by scholarship this fee will be waived. Returned check fee of **\$35.00**.

### Late Pick-Up Fees and Before Care Policy

Students picked up late will be charged \$5.00 for every 15 minutes late starting at 3:25 pm. An additional billing fee of \$5.00 will be charged if late fee is not paid at the time of pick-up. Students must register for Before-Care, see form for details.

### Testing and Tutoring Fees

Annual assessment tests will be administered at the end of the school year. These tests are optional unless the student's scholarship requires it. It is available for 3rd-12th Grade. The fee is \$50 and is included on the annual tuition invoice. Tutoring is available 1:1 for \$50/hour, \$35 for small groups. See Director for more information.
